Item 6. Indemnification of Directors and Officers.

Section 490.202 of the Iowa Business Corporation Act, or the IBCA, provides that a corporation's articles of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its shareholders for monetary damages for any action taken, or failure to take

action, as a director, provided that the provision does not eliminate or limit the liability of a director for (1) the amount of a financial benefit received by a director to which the director is not entitled; (2) an intentional infliction of harm on the corporation or its shareholders; (3) a violation of Section 490.833 of the IBCA, which relates to liability for unlawful distributions; or (4) an intentional violation of criminal law. Further, Section 490.851 of the IBCA provides that a corporation may indemnify its directors party to a proceeding against liability incurred in the proceeding by reason of such person serving in the capacity of director, if such person has acted in good faith and in a manner reasonably believed by the individual to be in the best interests of the corporation, if the director was acting in an official capacity, and in all other cases that the individual's conduct was at least not opposed to the best interests of the corporation, and in any criminal proceeding if such person had no reasonable cause to believe the individual's conduct was unlawful or the director engaged in conduct for which broader indemnification has been made permissible or obligatory under a provision of the articles of incorporation.

The indemnity provisions under Section 490.851 do not apply (1) in the case of actions brought by or in the right of the corporation except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct under Subsection 1 of Section 490.851; or (2) in connection with any proceedings with respect to conduct for which the director was adjudged liable on the basis that the director received a financial benefit to which the director was not entitled, whether or not involving action in the director's official capacity. In addition, Section 490.852 of the IBCA provides mandatory indemnification of reasonable expenses incurred by a director who is wholly successful in defending any action in which the director was a party because the director is or was a director of the corporation. A director who is a party to a proceeding because the person is a director may also apply for court-ordered indemnification and advance of expenses under Section 490.854 of the IBCA.

Section 490.853 of the IBCA provides that a corporation may, before final disposition of a proceeding, advance funds to pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding because he is a director if the director delivers the following to the corporation: (1) a written affirmation that the director has met the standard of conduct described above or that the proceeding involved conduct for which liability has been eliminated under the corporation's articles of incorporation; and (2) the director's written undertaking to repay any funds advanced if the director is not entitled to mandatory indemnification under Section 490.852 and it is ultimately determined that the director has not met the standard of conduct described above.

Under Section 490.856 of the IBCA, a corporation may indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because he is an officer to the same extent as a director. In addition, if the person is an officer but not a director, further indemnification may be provided by the corporation's articles of incorporation, the bylaws, a resolution of the board of directors or contract, except for liability in connection with (1) a proceeding by or in the right of the corporation other than for reasonable expenses incurred in connection with the proceeding; and (2) conduct that constitutes receipt by the officer of a financial benefit to which the officer is not entitled, an intentional infliction of harm on the corporation or the shareholders, or an intentional violation of criminal law. Such indemnification is also available to an officer who is also a director if the basis on which the officer is made a party to a proceeding is an act or omission solely as an officer.

The Registrant's amended articles of incorporation provide that its directors will not be liable to the Registrant or its shareholders for money damages for any action taken, or any failure to take any action, as a director, except liability for (1) the amount of a financial benefit received by a director to which the director is not entitled; (2) intentional infliction of harm on the Registrant or its shareholders; (3) a violation of Section 490.833; and (4) an intentional violation of criminal law.

The Registrant's amended articles of incorporation also provide that each of its current and former directors who was or is made a party to, or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director of the Registrant or is or was serving at its request as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise shall be indemnified and held harmless by the Registrant to the fullest extent permitted by applicable law, except liability for (1) a financial benefit received by a director to which the director is not entitled; (2) an intentional infliction of harm on the Registrant or its shareholders; (3) an unlawful distribution to shareholders; and (4) an intentional violation of criminal law. In addition to such indemnification, any such director and any officer are entitled to have any expenses reasonably incurred in defending any such proceeding or any similar proceeding against any officer in advance of its final disposition paid directly by the Registrant to the fullest extent permitted by applicable law.

The Registrant's bylaws also provide indemnification to its directors on the same terms as the indemnification provided in the Registrant's amended articles of incorporation. The Registrant's bylaws also provide for advances of expenses to its directors and officers on the same terms as provided in the Registrant's amended articles of incorporation. The indemnification provisions of the Registrant's bylaws are not exclusive of any other right which any person seeking indemnification may have or acquire under any statute, the Registrant's amended articles of incorporation or any agreement, vote of stockholders or disinterested directors or otherwise.

Section 490.857 of the IBCA provides that a corporation may purchase and maintain insurance on behalf of a person who is a director or officer of a corporation, or who, while a director or officer of a corporation, serves at the corporation's request as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan, or other entity, against liability asserted against or incurred by that person in that capacity or arising from that person's status as a director or officer, whether or not the corporation would have the power to indemnify or advance expenses to that person against the same liability under the IBCA. As permitted by and in accordance with Section 490.857, the Registrant maintains insurance coverage for its officers and directors as well as insurance coverage to reimburse the Registrant for potential costs for indemnification of directors and officers.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i) and (1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of West Des Moines, State of Iowa, on this 24th day of June, 2010.

Re: American Equity Investment Life Holding Company
Registration Statement on Form S-8

Ladies and Gentlemen:

I am the Associate General Counsel for American Equity Investment Life Holding Company, an Iowa corporation (the "Company"), and have participated in the legal review in connection with the preparation and filing of a Registration Statement on Form S-8 under the Securities Act of 1933, as amended (the "Act"), for the registration of 2,500,000 shares (the "Shares") of the Company's common stock, par value \$1 per share (the "Common Stock"), issuable under the Company's 2009 Employee Incentive Plan (the "Plan"). This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K promulgated under the Act.

In rendering the opinion set forth herein, I have examined originals or copies, certified or otherwise identified to my satisfaction, of (i) a draft of the Company's Registration Statement on Form S-8 relating to the Plan to be filed with the Securities and Exchange Commission (the "Commission") on the date hereof under the Act (the "Registration Statement"); (ii) a specimen certificate representing the Common Stock, (iii) the Articles of Incorporation of the Company, as in effect as of the date hereof; (iv) the Third Amended and Restated Bylaws of the Company, as in effect as of the date hereof; (v) the Plan; and (vi) certain resolutions of the Board of Directors of the Company relating to the Plan and the filing of the Registration Statement. I have also examined originals or copies, certified or otherwise identified to my satisfaction, of such records of the Company and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and others, and such other documents as I have deemed necessary or appropriate as a basis for the opinion set forth below.

In my examination, I have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. In making my examination of executed documents or documents to be executed, I have assumed that the parties thereto, other than the Company had or will have the power, corporate or other, to enter into and perform all obligations thereunder

and have also assumed the due authorization by all requisite action, corporate or other, and the execution and delivery by such parties of such documents and the validity and binding effect thereof on such parties. As to any facts material to the opinion expressed herein that I did not independently establish or verify, I have relied upon statements and representations of officers and other representatives of the Company and others and of public officials.

I have assumed that prior to the issuance of any Shares, the Company and the recipient of an award under the Plan will have duly entered into an applicable award agreement and the issuance of any such shares will be in accordance with the terms of the Plan.

My opinion set forth herein is limited to the laws of the State of Iowa, and I am expressing no opinion as to the effect of the laws of other jurisdictions. This opinion is limited to the matters stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated herein.

Based upon and subject to the foregoing and the limitations, qualifications, exceptions and assumptions set forth herein, I am of the opinion that when (i) the Registration Statement becomes effective under the Act; (ii) certificates representing the Shares to be issued under the Plan in the form of the specimen certificate examined by me have been manually signed by an authorized officer of the transfer agent and registrar for the Common Stock and registered by such transfer agent and registrar; and (iii) such certificates have been delivered and paid for in accordance with the terms and conditions of the Plan and any relevant agreements thereunder, the issuance and sale of such Shares will have been duly authorized, and such shares will be validly issued, fully paid and nonassessable.

I hereby consent to the filing of this opinion with the Commission as Exhibit 5.1 to the Company's Registration Statement. I also consent to the inclusion of my name under the caption "Legal Matters" in the Registration Statement. In giving this consent, I do not thereby admit that I am included in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission. This opinion is expressed as of the date hereof unless otherwise expressly stated, and I disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or any subsequent changes to applicable law.

Very truly yours,

/s/ Marla G. Lacey
